

Blue 3D Scrub Pad (formerly the Blue Tile & Grout Pad)

- Made of the same blue scrubbing material that has already proven to clean better with the Doodle Scrub.
- Integrated velcro backing extends the pad life and reduces slippage.

Inferior Green Material = Inferior Pad

- Longer and stiffer bristles scrub deeper, and outperform the traditional green tile & grout pads.
- The Blue 3D Scrub Pad is nearly 1/2" thicker than the old green pad.
- More bristles per square inch. Cleans at least twice as good as the green pads.

Lasts up to 6 times longer

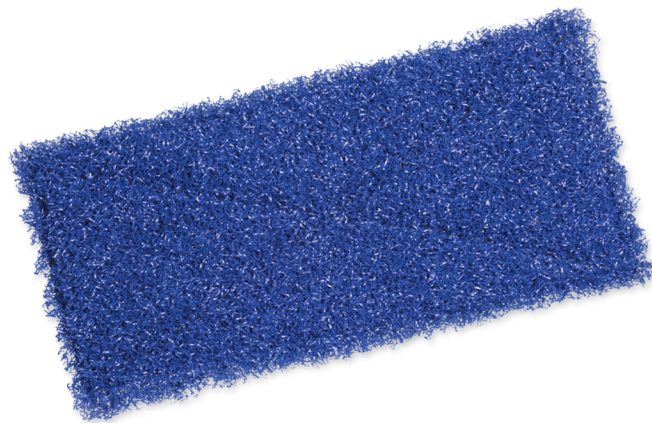

Blue 3D Scrub Pad

10" SS P0511TGBV

The Blue 3D Scrub pad is also available for the
Doodle Scrub EBG-9.

Works great on those hard
to reach grouted areas.
