

Square Scrub Pivot 3-5 Year Warranty

For all machines built on or after October 1, 2018

Warranty Start Date

Your warranty starts on the date you purchase the machine from an authorized Square Scrub dealer. You must provide proof of purchase. If proof of purchase is not available, the warranty begins on the date the machine was shipped to an authorized dealer. Any parts replaced or repaired under warranty are covered only for the remainder of the original warranty period.

Coverage

3-Year Limited Warranty: Your Square Scrub EBG Series Floor Preparation Machine is guaranteed against defects in materials and workmanship for three years under normal use. This covers the machine frame, base, parts, and labor, as long as you follow the Square Scrub Maintenance and Operating Instructions. **5-Year Limited Warranty:** The eccentric assembly is covered for five years under the same conditions.

What's Not Covered (Disqualifications)

The warranty will not apply if: - The machine is damaged due to accidents, misuse, or being overloaded. - It is damaged during shipping. - It is not properly maintained according to the Owner's Manual. - Only minor adjustments are needed that do not require part replacement. - Repairs or changes are made by anyone other than the factory or an Authorized Service Center. This will void the warranty for any parts or systems altered.

Parts Not Covered (Exceptions & Exclusions)

- Machine power cord - White driver pad (included with machine) - Grip face - Capacitor damage caused by use with insufficient power supply - Rubber isolators
